Front cover: 'Tree of Life' at the Hecht Synagogue, Hebrew University of Jerusalem

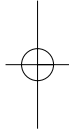

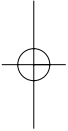

אני, עולם מלא חרובים מצאתי
כפי ששתלו לי אבותי
כך שותל אני לבני

בבלי תענית כ"ג א'

*As for me, I found
a world full of fruit trees
so just as my fathers planted for me,
so must I plant for my children*

Babylonian Talmud, Ta'anit 23a

**With best wishes for
a happy New Year**
